# INTRODUCTION

This MP3 player is made possible by the Knights of Columbus!

The Knights of Columbus is an international, family, fraternal organization of over 1.8 million Catholic men founded in 1882 by a parish priest, Fr. Michael J. McGivney in New Haven, CT. The Knights of Columbus is founded on four principles: charity, unity, fraternity, and patriotism. The American Veterans of every campaign since 1916 can attest to the Order's faithfulness to those principles while ministering to the spiritual and temporal needs of U.S. military personnel in an unprecedented and highly effective manner. Knights of Columbus have been soldiers on the frontlines in all of the major wars of the 20th and 21st centuries, and our support for them, beginning with the KC Huts of the First World War, has never wavered. We have programs aimed at both active duty personnel and for veterans, as well as the families of soldiers who died in combat.

In 1944, the Knights established the Francis P. Matthews and John E. Swift Educational Trust Scholarships, which provide scholarships to any Catholic college for the child or children of a member of the Knights killed in the line of duty during a conflict. This program has been open to the children of members killed in World War II, Korea, Vietnam, Beirut, the Persian Gulf War, and the current war on terror in Iraq and Afghanistan. To date, 789 children have been eligible for these scholarships, 270 have completed their education through this

program, and several others are currently studying. The first recipient of this scholarship was Paul X. Kelley, later General P.X. Kelley, Commandant of the U.S. Marine Corps.

If you are interested in membership in the Knights of Columbus or want to know more about us, please visit our website at [www.kofc.org](http://www.kofc.org), read more about us, and click the link, “Become a Knight.”

Thanks for all you do to make our country great—and safe!
